Presidents Report

Well, by now we have seen the Sprite and Midget Nationals done and dusted.
If you went you would have had a great time and if you did not you missed out on an aray of evenyts over the ANZAC weekend.
We had a great time and enjoyed catching up with the old and new members of all clubs.
It was good to see the presence of Bugeyes for the concourse and while our very own Neil Scott won his mark in the concourse ot was nice to see a bugeye win the overall concourse in its 60th year.
It not only won the outright winner but also managed to pick up 1st, 2nd and 3rd place in the overall rankings.
The tappet cover races were very hottly competed with some races being classed as questionable.
SA took out the overal standings, however, when it came to picking the best dressed racer controversy stepped in.
Neil was asked to pick tye winner, which he did and then left for the evening.
Indid not know this and asked a lady to pick the best of the best of thd best and picked her own car.
O,well she won.
I was bumbarded with qguestions tge following day and while all the heads of SCC OF australia got together no finding of bad sportsmanship picked out.
We have a bit coming up in the next few months
Ute SCCA will celebrate tge 60th year of the bugeye at OLD GOVERNMENT HOUSE in Parramata Park on ghe first July
This will be held with the celebration of Donald Healeys birthday and should be a great day.
Tickets have been subsidised by tge club and we have a few very special guest speakers on the day.
Be sjure to make contact with Les payne and get you tickets.
SCCA Drive to Survive Program is on again and i encourage all and any SCCA members to nominate a freind, a work freind or your very own family members for tgis fantastic programme

Shannons, we have 30 tickets this year and we have reserved 20 for bugeyes to help celebrate the occasion.
Graham wells is tge man to contact and he has ALL the tickets.To avoid any confusion, please only ring Graham to reserve tgem
All british Day, this ihas been pushed back to early September but needs go be on you list.

Thats it from me
Greg Holden

Sydney Motorsports Park Sunday 12th August

We have another 26 tickets available for members to exhibit their cars in one of the car park areas on the day. Preference will be given to members exhibiting Sprites/Midgets with first preference to Bug-Eyes.

Childbirth at 65

With all the new technology regarding fertility recently, a 65-year-old friend of mine was able to give birth.
When she was discharged from the hospital and went home, I went to visit. 'May I see the new baby?' I asked.
'Not yet,' She said 'I'll make coffee and we can visit for a while first.'
Thirty minutes had passed, and I asked, 'May I see the new baby now?' 'No, not yet,' She said. After another few minutes had elapsed, I asked again, 'May I see the baby now?' 'No, not yet,' replied my friend. Growing very impatient, I asked, 'Well, when can I see the baby?' 'WHEN HE CRIES!' she told me. 'WHEN HE CRIES?' I demanded. 'Why do I have to wait until he CRIES?' "BECAUSE I FORGOT WHERE I PUT HIM, OK?!?"

-The call for nominations will be in the next Sprite Torque.

Apologies & Leave of Absence:

There was a general discussion on the interpretation of the acceptance of an apology & whether this constitutes consent of absence under clause 18.2(g) of the constitution.

The consensus was that it is not an absolute issue & must be considered case by case.

Colin Dodds asked for leave of absence from last meeting. The committee agreed to grant this leave from meetings until the A.G.M.

Sprite 60th . Barry Cockayne reported:

A target of 20 Bug Eyes in total has been suggested.

-Barry Cockayne has written an article on the Bug Eye & this, along with some photographs, has been sent to CMC for possible use in their magazine or program.

-Greg Holden will approach some members to promote & assist in the event.

-Colin Dodds has advised he will not be available to assist in the concourse. We will use the same procedure as last year. Paul, Barbara suggested we try & use the same judges if possible.

General Business:

Barry Cockayne started a discussion on the state of the club. We have not been able to fill the two committee vacancies so how do we get more members involved?

The club is affected by changing demographics with an ageing population, ageing vehicles & changing interests.

How do we get members along to events to try & influence their interest? Should we place conditions such as run attendance on concessional registration? (this is done by a number of similar clubs).

No decisions were made but this needs to be an ongoing discussion.

Ross demonstrated a draft of a proposed electronic membership renewal program. A number of issues were raised including family membership & method of payment. There are also security issues as the current web-site is not encrypted. Ross recommended we go with Dot Easy as we already use them. Cost is about $150. All present agreed to go ahead with the development.

Les Payne advised that he has reviewed our current costs vs income & proposed that we keep membership fees at the current level. Barry Cockayne asked the income would cover the increased cost of going to an outside produce colour magazine. Bug-Eye Display at HSRCA:

Barry Cockayne advised that the HSRCA have asked if we would like to have a display of Bug-Eye Sprites at their event at Wakefied Park on 23rd September. Unfortunately the date clashes with the All British Display Day & our Concourse. It would be difficult to cover both events. Barry will reply to HSRCA & advise them of the date clash.
