Welcome to Sprite Torque

Welcome to the this edition of Sprite Torque

There's lot of information on activities in this issue, as always, but I'd love more articles from you the members. Show us your restorations and projects, or maybe even just send me a photo of your pride and joy and a little story about how she came to be in your possession and the adventures you've had together?.

Important, if you haven't already registered for All British Day your forms are included in this issue. Fill them out and send them off so you don't miss out.
There are also details for a show and shine at the Dural Men's Shed which is a great day out.

If you have anything to share, please send them to bron.wray@gmail.com

Presidents Report

So much has been happening. The Vive Le Difference was an outstanding success. Many thanks go to Carol and Ann for an amazing day. The venue was great, the food was excellent and the car park full of all the "other cars " that are a part of our club. So many different makes, it is hard to believe, we had cars from every continent represented on the day and some very nice people that we and I have never meet, I hope all members know that you do not need to drive a sprite to any of our runs and this event proved that in spades. So if you had a good day come along on our a run or two.

By the time you read this Steve Dive's Railway Visit will have been and gone. Thanks Steve for arranging this event. To be able to see the work that is done to restore these amazing machines up close and behind the scenes is a privilege not too many get.

There are many upcoming events to attend so make sure you check out the calendar elsewhere in the magazine.

At home we have been busy preparing for the upcoming bushfire season with the last of the pile burns, something the grandchildren love because it means roasting marshmallows.

The biggest win of all, at our place this weekend, was the first drive of my latest project. I can't say a big enough thank you to Ray Fahey. It has been such a pleasure to work alongside such a talented friend whose problem solving and amazing skill and craftsmanship have made this little car what it is today.

There will be elsewhere in the mag a flyer for the Nationals in Warwick next Easter, the Queenslanders are working hard to ensure a jam packed long weekend for all of us. Please express your interest in attending and at the same time there is a planned weekend away with the mob from north of the boarder at Coffs Harbour, again please let me know if you plan to attend this and you will need to book your own accomodation.

Cheers

Greg.

Vive Le Difference 28th July 2019.

What a great Day was had by ALL! The weather was good. The

venue at the Vicar was Fantastic. AND THE CARS- Spectacular!!

What a great day and thanks to all our members who dusted off their cars for us all to enjoy on the display in the Vicar Car Park. We had Alfa Romeo, Austin Healey and Austin Healey Sprites, BMW, Chevrolet, DKW, Fiat, Fords, Holdens, 2x Indian Chief motorcycles old and new, Jaguar, Lexus, Lincoln, Mercedes, Morris Minors , Mini Cooper, MG Midget, Nissan, Nota F1, Pontiac, Sunbeam, Toyota, Triumph, Vauxhall, VW Kombi.

Thanks to Wendy Gibbs and Graham, Joan and Brent McDonald who travelled some distance to join us at the event. It was also fantastic to see Christine Lorrimer who was our Social Secretary some years ago.

Christine Tomkins, Event Manager at The Vicar , was on hand to make sure our day was enjoyed by all at a relatively new venue. I think the meal was lovely and I particularly enjoyed the Rhubarb Crumble.

We always require an army of Volunteers on the day and thanks to all those people who were there to assist on the morning.

Bron Wray our resident Art Director provided the fantastic photos for the promotion of the event and the Cake. Check out Facebook for all the photos.

I was particularly heartened to see the cars displayed by Baxter, Finlay and Lynne Livingstone. Baxter's Ford Fairlane 500 Sunliner, Finlay's 1963 Lincoln Continental and Lynne's Mk1 Cooper S were crowd favourites.

We had a few "Razzies" , awards for our Trip To Mudgee.

- Neil Scott – most unusual shopping list. Our members normally trawl antique shops for old tools. Neil was observed looking for scone cutters. We found him some and he has promised to bake us some scones. YUMM!
- Anne Smith – was awarded the "John Fowler Award" for lengthy trip instructions.
- Jamie Buttigieg – Poker Face Award – who tried to wheel and deal Colin Dodds to purchase the Indian Chief Motorcycle at a bargain price. It cost Jamie several drinks and you would have noticed that Colin still owns the Indian.

Nicola Fox won our snowball game of car makes. She had an unexpected knowledge of cars or lots of audience help. It was all good fun.

Our only fund raising for the day was the Whiskey Toss and boy did it get competitive. You all spent $174 dollars to win a bottle of Scotch. No one could beat Victor Mifsud, whose coin leaned snugly against the bottle and he went home with the win and the bottle of Whiskey.

As I left the grounds I noticed people still chatting in the car park. Old friends, new friends, old cars, new cars, more than 100 members in attendance , a successful day.

The Sprite Car Club of Australia heavily subsidized this event for our Members and Friends and if you want more of these events, please let us know.

Thanks Colin for being my very efficient PA for this event.

Organization for our 60th Anniversary at the QStation is now on the way. We would love to see you all again at this event July 2020.

Around the Track

The Morgan Owners Club Australia – Supersprint took place on the SMP Brabham Circuit on Saturday 17th August, the day before the Shannons event.
Sadly I was otherwise occupied with family life in Melbourne so missed another Supersprint, but everyone who took part was treated to a glorious Sydney day.

Stephen Hooker took FTD in the Jedi, narrowly missing out on a sub 2 minute run, but doing a great job in heading the field which included a Radical.
Jason Thomas put in a great time and is clearly going to get faster & faster as he gains experience on the track and with the car.

Les Payne has given some insights on the day below.

SCCA had 9 participants out of a total field or 83 starters, 10% down on previous years. The day was warm, most enjoyable for a few laps of the track.
The Morgan club had 83 starters and ran 5 groups. Interestingly they moved a few slower cars to the back of the faster groups. Surprisingly this worked well, there was enough distance to travel that the front runners did not catch the back runners unless you are Les and have a big spin after turn 5. No harm done but pride. The first 4 runs were 9 minutes followed by 12 minutes for the 5th run.
All credit to the Morgan club on the long circuit where I had 5 runs and on the trailer heading for home at 3;15pm. Rick in his big Jag for some reason was behind me on the grid. When he overtook me it gave me an excuse to try a little harder to keep up. The Midget used 35 litres of fuel in 1 day, never happened before, such a blast.
Andrew had the Silva running well, but found a small amount of oil coming from somewhere so decided to head home for a roast dinner. Tony's exhaust came loose at the end of the day. All others had an incident free day.
