MODEL	CAR NUMBER	BODY NUMBER	ORIGINAL ENGINE NUMBER	BUILD DATE	DATE LEFT FACTORY	LARKE HOSKINS NUMBER	AUST BUILD NO.	ORIGINAL EXTERIOR COLOURS	TRIM #	CLUB PLATE NO.	OWNER	COMMENTS
	Note:	This Register is maintained by the Sprite Car Club of Australia Inc, and is primarily for Australian owned cars.										
		For this reason, cars are listed in order of their Australian build number, not their UK car number.										
		This will cause some anomalies. For example, look at the three Mk IIIA Sprites with Oz build numbers 1745, 1751 and 1753.										
		These three cars were assembled at Zetland early in 1966 using body shells that had arrived almost two years prior.
